Wyre Forest CRC

An introduction

A Brief Introduction to Wyre Forest CRC

Wyre Forest CRC was founded in 1977, and has a membership base drawn mainly from the North Worcestershire area. We also have members from further afield and welcome anyone who wants to join us.

Club Night

We meet every Monday night at 8.00pm at the Stourport Sports Club, The Kingsway, Stourport-on-Severn, Worcestershire, DY13 8BQ, where we chat about the weeks exploits, and exchange tales of woe.

Social Events

We hold a number of social events throughout the year, which include Skittles evening, Quiz nights, Roller racing, and the infamous Club weekend (an event not to be missed!). There is also the Annual Prize presentation dinner where the trophies are awarded to club members in all different categories, disciplines and age-groups.

Affiliations

As well as being a registered go-ride club, we are affiliated to British Cycling, Cycling Time Trials, and the South Staffordshire Cycling Association.

Coaching

We have a number of qualified British Cycling Coaches on -hand to offer advice and support for any cyclist of any ability. The club also benefits from a vast array of cycling experience in a multitude of disciplines, so if you have a question, someone, somewhere in the club, definitely has an answer!

Go-Ride & Clubmark

The club is a Go-Ride Clubmark accredited club. That means we have met the minimum criteria as laid down by Sport England And British Cycling. For more details on Go-Ride, our Go-Ride activities and Clubmark, visit the Go-Ride pages of the website.

Club Rides

We have organised rides throughout the Summer and Winter, catering for all abilities, and starting from different locations. The route is generally decided on the day, and you can just turn up and ride with one of the groups.

Racing Events

We promote a number of events throughout the year, including: a weekly series of Club races throughout the summer, Open Time Trials, Road Races Cyclo-Cross, and for 2008 a Sportive.

More Information

For more information, and by far the best resource, is the club website which updated on a daily basis with all the latest club news and events: <http://wfcrc.org.uk>.

Alternatively, or if you don't have access to the Internet, feel free to stop a club member in the street (if you see one), or contact anyone on the contacts list overleaf.

The club offers something for everyone. We are neither elitist or cliquy but we are serious about our sport and enjoy it, in whatever form, to the maximum. We have sponsors who kindly fund the club, and with the support from them, and the members, our club is going from strength to strength, so come and join us!

Sports Equity Monitoring

Whilst it is not compulsory that this section is completed, the following paragraph explains why it is important.

Sport can and does play a major role in promoting the inclusion of all groups in society; however, inequalities have historically existed within sport, particularly in relation to gender, race and disability. British Cycling is committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profile of young people in our clubs we can identify any issues relating to under-representation of different groups and can develop strategies to ensure that all young people have the opportunity to develop and progress in cycling.
